Re: RR 14L-34

Dear Ms. Rawls:

I am writing on behalf of respondent Workers' Voice to request a brief enlargement of time from today, December 5, to Monday, December 15, to respond to this referral to the Office of General Counsel.

As you know, we have informally sought from your office an electronic, manipulable version of Attachment 2 to the Commission's October 10 notification to Workers' Voice. I gather that this will not be forthcoming, although I renew that request because it would facilitate Workers' Voice's response. The compliance personnel with whom I have been working have also been preoccupied with submitting Workers' Voice's extensive 2014 Post General Report to the Commission as well as related state reports.

Thank you for your consideration.

Yours truly,

Laurence E. Gold
